

RESOLUTION NO. _____

**A RESOLUTION APPROVING ACCEPTANCE BY THE NORTH
LITTLE ROCK AIRPORT COMMISSION OF A GRANT FROM
THE ARKANSAS DEPARTMENT OF AERONAUTICS;
APPROPRIATING \$85,103.75 IN MATCHING FUNDS; AND FOR
OTHER PURPOSES.**

WHEREAS, the Arkansas Aeronautics Commission has approved an 80-20% matching grant (Grant #3000-11) for the North Little Rock Municipal Airport for Phase 2 of an airfield rehabilitation project which includes reconstruction of asphalt ramp areas, replacement of a seal coat on asphalt taxiways, asphalt pavement construction around an existing hangar area, and repairs to select sections of the perimeter road (see Exhibit "A" attached hereto); and

WHEREAS, total cost for the project is \$425,518.75 which will be paid as follows: Grant #3000-11 proceeds in the amount of \$340,415.75 (80% of the project cost), and local matching share in the amount of \$85,103.75.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF NORTH LITTLE ROCK, ARKANSAS:

SECTION 1: That the City Council approves acceptance by the North Little Rock Airport Commission of Grant No. 3000-11 from the Arkansas Department of Aeronautics in the amount of \$340,415.75, representing 80% of the project cost for the Phase 2 airfield rehabilitation project at the North Little Rock Municipal Airport.

SECTION 2: That the amount of \$85,103.75, representing 20% of the total project cost, is hereby appropriated from the Special Projects Fund as matching funds.

SECTION 3: That this Resolution shall be in full force and effect from and after its passage and approval.

Dear Mr. Polk:

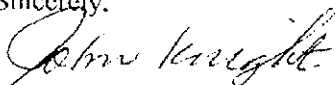

During the June 14, 2011 meeting of the Arkansas Aeronautics Commission, an 80-20% Grant Request was approved for North Little Rock Municipal Airport. The request approved provides funding in the amount of \$340,415.00 for phase 2 of an airfield rehabilitation project. The project includes reconstruction of asphalt ramp areas, placement of a seal coat on asphalt taxiways, asphalt pavement construction around an existing hangar area, and repairs to select sections of perimeter road. The sponsor indicated that the airport is 70% self sufficient and that the City provides grant matching funds.

This grant has been assigned as Grant #3000-11 for identification purposes. When corresponding with our office regarding this project, please be sure to use this number. Contact us immediately if you will not be able to complete the project for amount approved. ***The Commission will not be responsible for any additional project costs unless this Agency has received notification in advance.***

The Commission has asked that we call your attention to Page Three (3) of your Application for State Airport Aid. ***This project should be started immediately and completed within one year.*** Please notify us if circumstances beyond your control prevent completion within the allotted time, otherwise, the grant may be canceled.

Payment of this grant will be made upon completion of your project. Please remember that grant funds are contingent upon the Department's appropriation for the fiscal year. Request payment of this grant in writing and include your documentation for the project at that time.

Sincerely,

 John K. Knight, Director

State Airport Aid Application – Page 3

The sponsor agrees to furnish the Arkansas Department of Aeronautics a copy of the legal instrument affecting use of the property for an airport. In application for a new landing site or expansion of existing facility, the FAA Form 7480-1, *Notice of Landing Area Proposal*, must be approved by the FAA before review for grant can be made by the State. Applications for hangar construction or renovation funds must include a signed lease agreement. This agreement must be in compliance with all FAA grant assurances. The application must be based on bids and include a calculated return on investment.

No land, hangars, or buildings purchased with State Grant funds may be sold or disposed of without State Aeronautics Commission prior approval. All requests for sale or disposal of property will be considered on an individual case basis. No hangar (funded by a grant from the Department of Aeronautics) shall be used for non-aviation purposes without State Aeronautics Commission prior approval. All requests for non-aviation use will be considered on a case-by-case basis. Failure to receive prior approval from A.D.A. concerning land and/or building use could result in the commission requesting grant refund from the Sponsor.

No airport accepting State Grant funding may issue an Exclusive Rights lease.

All applications for navigational aids (such as NDB or ILS) must have FAA site approval before a state grant can be approved.

All Grant applications involving Federal Airport Improvement Program (AIP) funding must be accompanied by the approved FAA grant agreement with grant number assigned.

If this project is approved by the Arkansas Department of Aeronautics, and is accepted by the sponsor, it is agreed that all developments and construction shall meet standard FAA construction practices as outlined in the specifications of this agreement. Runways, Taxiways, Parking Ramps, etc. shall have a base and a thickness that will accommodate the weight of aircraft expected to operate at this airport.

All grant applicants (City and/or County) are totally responsible for compliance with all Federal, State, County, and City laws, Statutes, Ordinances, Rules, Regulations, and Executive Orders concerning contracts and purchases for which this grant is approved and issued.

It is understood and agreed that should the sponsor fail to start this project within three (3) months of the Arkansas Department of Aeronautics' date of acceptance, that this grant is null and void. It is also agreed that this project shall be completed within one year from the date of acceptance of this grant by the Arkansas Department of Aeronautics. Applications for extension will be entertained if circumstances beyond the sponsor's control occur.

Funds will be disbursed according to Department procedures and final inspection of completed project (See payment instruction page). Payment of grant funds are contingent upon the Department's biennium appropriation.

IN WITNESS WHEREOF, the sponsor has caused this Application for State Airport Aid to be duly executed in its name, this _____ day of May, 2011.
